INTER SCHOOL
BAND
COMPETITION**

Prince Academy won the All India Inter School Band Competition-2023

The TRIUMPH of HARD WORK

It is a matter of pride for the whole Rajasthan that the musical band of Sikar-based CBSE English Medium School, Prince Academy, has been awarded the first prize in the All India Inter School Band Competition in both male and female categories. This is the first time in the history of the country that the band of a single school has been awarded the first prize in both the boys and girls sections.

This All India Inter School Band Competition was organized under the joint aegis of Ministry of Defence, Government of India and Ministry of Education, Government of India. 300 school bands from across the country, both male and female, participated in the competition.

In the first phase of the competition, top-8 bands from across the country were selected by the Ministry of Education, Government of India. The second and final stage was organized by Ministry of Defence, Government of India at National War Memorial, India Gate, New Delhi, in which top-8 selected bands from across the country participated. The Musical Brass Band of Sikar-based CBSE English Medium School, Prince Academy, has been awarded the first prize across the country in both the student categories in the rankings announced by the Ministry of Defence and the Ministry of Education. During the closing ceremony, Sanjay Kumar, the Secretary of School Education for the Government of India, Air Marshal Jitendra Mishra, and other officials from the Ministries of Defence and Education honoured and presented the first-rank citation and trophy to Prince Musical Band Leaders Sahil and Chanchal, Chairman of Prince Eduhub Dr. Piyush Sunda, Managing Director Ramakant Swami and band instructor retired Capt. K.C. Bhatt.

Chairman's Desk...

Respected Parents and Dear Students,

An ebullient welcome to the session 2023-24

Let us inaugurate this session with great devotion, dedication and determination to achieve rising standards in the field of academics and ethics.

The entire purpose of education is not restricted towards an excellence in bookish knowledge only, but to inculcate human values, wisdom, trust, compassion & self confidence among students. It is believed to be an engine of growth and prosperity. Hence the education sector has experienced the rapid expansion and it has widely contributed in the development of our country.

Prince Academy is primarily concerned with the development of a centre of excellence in educational arena to emerge as a socially conscious school with global distinction by providing advanced level of teaching, research and capacity building in national and global context, learning to live together with share, care, love and smile.

We emphasise on all humanistic dimensions of education, enabling the young minds to discover one's own self in order to acquire the milestones of knowledge, experience and success with colours.

Our school has constantly tuned fine with the rapid global changes and set new bench marks across India.

We are confident that Prince Academy is the best place for your children to realize their potential in academics and life skills required for meeting any future challenge.

We welcome your active interest & involvement in the progress and overall activities of your child.

Looking forward to your continuous support,

With warm regards

Dr. Piyush Sunda (Pediatrician)

MBBS - SMS Medical College, Jaipur
PG(Pediatrics) -SP Medical College, Bikaner

Prince Academy got All India First Rank by Ministry of Education Govt. of India

Ministry of Education, Govt. of India announced Swachh Campus Ranking in a magnificent and glorious event organised at New Delhi in which Prince Academy of Higher Education, Sikar has been bestowed with the First Rank Award at all India level.

The Chairman of Prince Academy, Dr. Piyush Sunda was honoured by the R. Subrahmanyam (Secretary HE - Govt. of India), D.P. Singh (UGC Chairman), Professor Anil D. Sahastrabuddhe (AICTE Chairman), Dr. W.G. Prasanna Kumar (MGNCRE Chairman) and Professor M.P. Poonia (AICTE Vice Chairman). All dignitaries congratulated him on this splendid achievement.

Campus

PRINCE ACADEMY, renowned CBSE English Medium Residential Cum Day Scholars' School, spread over more than 100 bighas in picturesque surrounding, having a distinct Educational Ideology and offering Quality Education to shape the Enlightened Citizens of tomorrow.

Director's Desk...

Dear Prospective Parents & Students,

I feel immense pleasure and proud, to invite you, to have a glimpse into the heart, that beats behind the appealing stage of our exceptional institution, which has recorded the perpetual & sound academic achievements along with an extensive co-curricular program.

Today, the role of a school is not only to achieve excellence in education but also to inculcate the love to knowledge in the students and also to inspire them to become life long learners, critical thinkers and productive members of an ever-changing global society. Prince Education Hub commenced its journey in the year 1997 with a mission to provide wholesome & quality education to our future nation builders. The group at the starting as Prince School has made tremendous contribution in this regard and has crossed many milestones till date.

We are constantly improving our teaching methodology so that it turns learning into combination of class room study, research & scientific discovery. The alumni of school, well settled across the globe are the clear examples of cherishable and vivid learning experiences at our school.

I assure you that you will have a meaningful interaction with the school staff through a good out reaching experience of the school. Your valuable suggestions are always welcome.

The collective efforts and support of yours will help us to produce the best talents not only in India but throughout the world. This is the only way I can pay back to the society what I owe.

Jai Hind !

Jogendra Sunda

Winner... Both Boys & Girls Band,
All India Inter School Band Competition-2023,
Ministry of Education & Ministry of Defence, Govt. of India.

Awarded with...
“Excellence Award for
effective student leadership” by
Edu Carnival-2022, IIT Delhi

Awarded with... “Most Promising School with Holistic Education in **North India**” by
Shri Thawarchand Gehlot (Hon'ble Governor of Karnataka)

A World Class School with A Difference

The Academy is spread out in 100 bighas of land with modern architecture and wide space. The location, climate and infrastructure are very conducive and eco-friendly for a healthy academic life. It is located only 3 kms away from the main city, far away from the noise and pollution of the city, situated at Jaipur-Bikaner highway in an extremely peaceful area. Our endeavour is to equip Prince Academy with the best possible facilities found in an international school.

Prince Academy was envisaged as co-educational English medium school with a new approach, established by PRINCE ACADEMY OF HIGHER EDUCATION. It is a purpose built school and it has learning spaces to support the child and respect his/her expression of individuality.

Parents, always cherish a dream that their wards will earn fame at the national/international arena in future, and for this they send them to the best schools of India and our institution is one of these final destinations.

Parents no longer need to worry about extra curricular activities and developing hobbies of their wards as Prince Academy surely provide them with the best environment for these activities during school hours.

Prince Academy's mission is completely student oriented and to provide them quality education. It has the faculty who not only love children but also love teaching.

Another uniqueness of this institution is its relationship with the society. We believe in maximum involvement of parents so that we together discover

the individuality of each child and bring out the best.

To summarise the facilities, Prince Academy provides excellent learning opportunities to its pupils with a wide range of abilities. Progress of the students are carefully monitored, provides additional help when required and support for their non-academic and personal needs so that they can learn quickly and adapt well.

The booklet (attached) vividly explains about Prince Academy. We cordially invite your enriched, valuable suggestions and guidance to enhance further progress.

At Prince Academy we are committed to explore the potential of your wards to make them worthy citizens and future leaders to bring glory for their country.

With warm regards

Prince Academy Fraternity.

AUDITORIUM

The new auditorium in a newly constructed four storeyed building inside the campus of Prince Academy. The auditorium being incorporated with the latest technology, can accommodate more than 450 students at a time and is being used for Seminars, Cultural Events and as a Movie Theater.

Class - 6, 7, 8, 9, 10 Pre- Foundation Course for **STSE** | **OLYMPIAD**

In the Educational environment of Rajasthan, most of the students are preparing for IIT-JEE/NEET during 11 & 12 class while in south India, students of class - VII, VIII, prefer preparations for IIT-JEE/ NEET through Olympiad and other Talent search examinations. By the end of class 10, they have the syllabus of IIT, JEE and NEET approximately covered. That's why the success rate in these exams of South India is more

impressive than Northern India. On the basis of South Indian method, PCP is providing the same environment. Students of class 7 to 10, are getting benefits by routine teaching of Physics, Chemistry, Maths and Biology by us. Remaining two hours are utilized alternatively for SST, English, Hindi, Mental ability etc. Students are provided with Schooling + Coaching + Hostel facilities at an individual center.

Best Pre Foundation Programme in Sikar

1. **Pre Foundation + Schooling** : Most of the Coaching Institutions provided "Coaching" only to the students of Pre-Foundation while PCP provides complete syllabus of Schooling alongwith STSE and Olympiad Pre- Foundation courses in a single campus.
2. Most of the Institutions provide part - time pre foundation coaching to students. Sufficient time for self study isn't available if a student is doing schooling with others. While at Prince, we provide both schooling + Pre Foundation at a single platform.
3. This Pre-Foundation orientation program is able to convert the students of today as achievers of tomorrow upcoming NEET and IIT-JEE exams, which they will face later on.

Military Musical Club Pioneer in National Level Band Competitions

Prince Acadcemy's Band Secured 2nd Rank in All India Inter School Band Competition-2019 organised by Ministry of Education, Govt. of India.

Prince Academy's Musical Band was one among the best performers in the State Level Independence Day Programme at SMS Stadium, Jaipur.

35 members of Prince Academy Musical Band gave a spectacular performance at National War Memorial, India Gate, New Delhi

Prince Academy's Musical Band had given a Superb Performance in "Shahadat Ko Salam" an event organised by News 18 Network & "Police Pride Awards" by Dainik Bhaskar at Jaipur.

Health fusion (Sports)

At Prince Academy, we strongly believe that a 'Healthy Mind needs a Healthy Body' to function efficiently. Great emphasis is given to sports and a large number of activities and games are pursued during school hours.

INDOOR

Indoor games are also an indispensable part to develop students' personality. Such games inculcate lot of confidence among the promising students at Prince Academy. We also make arrangements for indoor games such as Ludo, Chess, Aerobics etc. to lessen the burden of long tenure of studies.

OUTDOOR

We make arrangements for outdoor games to inculcate the spirit of leadership, unity, team spirit, time management and feeling of constant struggle to succeed in every field of life. We have spacious and well maintained grounds for Cricket, Badminton, Football, Basketball and Volley-ball.

YOGA & AEROBICS

Yoga is taught to students of the Primary Wing from Classes I-V. An age-old form of fitness whose efficacy has come to the forefront globally, the youngsters through yoga, develop flexibility, balance, poise and concentration. Regular 'Asanas' prove beneficial for both mind and body, leaving the youngsters energised, ready for academic and co-curricular pursuits. Regular Yoga workshops are held for students (VI onwards) and staff as well. Physical activity of a child, can encourage fitness throughout his or her life span. Moreover, psychological dynamics associated with seeking and maintaining health, especially in the schools, are of utmost importance. Aerobics is a great idea for all these and hence all students of Prince Academy are encouraged to participate in this fun filled yet "fitness" oriented activity.

TEACHING METHODOLOGY

We believe that each child is potentially capable of excelling with the passage of time. By dividing study objectives into shorter modules, every child is taught according to the level of his mental aptitude. Beyond academics we help the children in developing long lasting skills, in striving for excellence and in achieving net personal goals. The school incorporates performance and counselling system for each student. This includes student's mental approach, professional competence, suitability and worthiness for career, allied skills, hobbies, academic excellence and extra curricular achievements.

Parents are thus appraised of their wards' strong and weak points, resulting in a better position to consider career choices. Subjects are taught through a combination of techniques, audio-visual aids, CD ROMs, site visits, and workshops.

Extra back up and supporting guidance for slow learners, special emphasis on language development co-relating employment through interactive teaching, developing listening and speaking skills.

AUDIO VISUAL ROOM

The audio-visual room is a place where the students of all classes experience learning in an effective way. The audio-visual method appeals most to the senses. It leaves a deeper impact as it involves greater attention in the act of learning. Prince Academy also has access to the educational, primarily the scientific channels of the world wide television network. The school has a duly furnished and well maintained video room and has a wide collection of educational and library videopedia. Here, our aspirants watch sundry topics through computers, CDs, Video Cassettes, OHPs, LCDs etc.

LEARNING RESOURCE CENTRE

The School Library houses an open access computer room called Learning Resource Centre, available to all students and members of the faculty. It has 35 computers for on-line access of Information from the vast collection of world wide web. All systems are connected via a network with support for Intranet, Internet and email services. The supporting software allows Information Systems and other students to gain a familiarity with a variety of topics ranging from academic to co-curricular.

INFORMATION TECHNOLOGY

The onus for shrinking the entire world to the size of a small family should go to none other than the intelligent chap called computer. Our students, from class-I onwards, are given preliminary exposure to the fascinating and astonishing 'World of Computers'. All the equipments in the labs are upgraded with multimedia facilities. An online network of workstations and knowledge make learning fast and convenient for students. Each student is given an opportunity to work on a single system.

ENGLISH LANGUAGE LABORATORY

In the changing scenario of the dynamic world, it has become imperative for all the educational institutions to cater the need of the students in particular and society in general. Learning English Language – that has attained the status of international language – can provide a solution to combat the intricacies of the dynamic world successfully. Retaining its pioneering spirit, Prince Academy is first in Sikar to take a lead in this direction by setting up English language lab which was once the sole pre-rogative of the best universities and colleges of India. English Language

Lab aims at facilitating the learning of second language and hone the fundamental skills of English language i.e. listening and speaking of the students. Equipped with the modern gadgets of latest technology like Teacher and Student Consoles, Headphones, Audio Visual Aids etc.; language laboratory exposes the students to the second language and provides them various opportunities to speak, comprehend and internalize English language like its native speakers. The emphasis is laid on learning the nuances of pronunciations, stress, intonation and accent to endow the students with such accomplishments as would augment their oratorical skills and confidence to confront interviews and group discussions for various jobs and higher studies which would consequently lead to amelioration of their prospects for better placements and open up new vistas for them in the country and around the world.

MATHEMATICS LABORATORY

The Mathematics Laboratory is one of the most advanced and unique facilities of the school. The mathematics laboratory is equipped with high end computers, advanced software and facilities where the students are made to work on carefully designed activities and projects which enable them to see the relevance of Mathematics to real life. It helps in developing the skills like sharing, thinking, reasoning and analytical skills.

SCIENCE LABORATORIES

To provide a practical approach to learning and complement the conventional stereo typed classroom environment, the school has well equipped Physics, Chemistry and Biology laboratories. Students are provided requisite aids for the project and practical work that will help in 'learning by doing'. The school has a separate Junior Science Laboratory specifically designed to cater the students' need upto class eight.

COMPETITIONS AND CLUBS

Inter House and Inter School Competitions

Competitions make one strive for the best. From the cradle to kicking the bucket, one has to face competitions to prove oneself and learn valuable lessons. Inter-house competitions at Prince Academy are organised with a view to channelise the leadership quality of the students to the optimum. The school conducts various Inter-House competitions as per fixed schedule during an academic year. Inter-School Competitions which make participants toil round the year are One Act Play, Hindi Debate, Science Quiz, Music, Dance, Drawing and Painting, Rangoli, Extempore, Caption Writing, Social Studies Quiz, Computer Quiz, Paint Brush Competition and many more.

STUDENTS' COUNCIL

Prince Academy wishes to infuse the spirit of self reliance in every student. To give them opportunity, the school has a Students' Apex Body. The students are conferred with various designations viz. Head Boy, Head Girl, Sports Secretary, Prefects of various Houses etc. Selection is on the basis of their academic record, discipline, positive attitude, sense of responsibility and leadership qualities.

CLUBS

Literary, Subject and cultural clubs are integral features of the institution's education plan. The clubs provide a platform where the students can voice their thoughts, overcome stage phobia and air their views freely. Special emphasis is laid to give wings to their imagination, cultivate their originality and develop their skills. Such exposure leads to broaden horizons and gather tremendous confidence. The clubs have student office bearers and the teacher co-ordinators/moderators facilitate the functioning of the clubs.

MUSIC & DANCE

The trained professionals in various fields of Music (Indian / Instrumental) & Dance forms (Classical / Folk / Contemporary) train & provide opportunities to the young budding artists to learn, perform and create a world of happiness. We encourage students to identify with these art forms and explore opportunities of expressions :

- Where students learn different forms of Indian dance—Classical, Folk & Contemporary.
- Where students discover and learn the essentials of Indian Music.
- Where students learn the ethics of Indian Vocal Music.
- Where students tune their talents in Western Music – Instrumental as well as Vocal.
- Where students are trained in Western style of dances viz. salsa, jazz.....

CO-CURRICULAR ACTIVITIES

A baby in his pram clenches and unclenches his fists to prepare himself to pull himself up, a child also practices life skills that he will need later. Most of this preparation can be seen in his play and activities. For example a child becomes absorbed with games such as jigsaws and interlocking bricks requiring the same type of manual dexterity that he will need when he tries to use a pencil. In the light of the above, it is no wonder that all students enjoy a number of activities which enable them to gain a sense of self-sufficiency and self-contentment. The numerous activities are pursued by students under the able guidance of trained members of the staff.

ACTIVITIES

Computer aided learning of interactive games & puzzles

- Art & craft
- Indian dance & music
- Western dance & music
- Aerobics, Yoga & martial art, taekwondo
- Physical education
- Robotics
- Electronics
- Clay modeling
- Story telling
- Dramatics
- Organised games
- Floral display and Photography
- Mask making & more

Role of Education in Nation Building & Contribution of Prince in this Campaign

The first Noble Prize winner of India, Rabindranath Tagore says about education, "The highest education is that which does not merely give us information, but makes our life in harmony with all existence."

Education is the process of imbibing external progressive ideas, thoughts, and beliefs into our internal thinking, which eventually gets reflected in our actions. Role of education is immense towards a moral, ethical and just society.

In a country like India, only education can help in multiple ways to make it a developed nation. And thus the role of every single institution which is providing education in any format or category becomes very significant. To support this statement, our Institution, Prince Education Hub, has taken this initiative as an opportunity, as it offers a number of life enrichment & community oriented courses besides the academic and general curriculum.

The scenario of education has completely revolutionized with the help of multi-dimensional programs offered by Prince in various sectors like academics, sports, medical, engineering, armed forces, civil services, legal department, college education, including field of agriculture, commerce and many more.

Prince Education Hub is committed to serve the nation, by providing best educational environment along with world class infrastructure, including advanced, modified technology and modern educational support system, operated by highly qualified, well experienced and modern educators.

Thus we can assure the nation as well as the world that as an educational society, we are not going to leave any stone unturned until and unless every individual becomes literate and contribute his/her part to make the nation a developed one.

PARENT-TEACHER MEETING

Parent teacher meeting is a prominent and notable feature of the school curriculum. The motive is to have close interaction of parents with teachers related to the progress shown by their wards and finding workable solutions to the problems coming in the way of development of their ward. It is mandatory for all parents to attend the Parent Teacher Meet. In case of an extreme situation where the parent cannot attend, written intimation should be provided. If the child is not making the desired progress, parents are welcome to contact the Principal, Vice Principal, Headmistress, Class Teacher or the concerned Subject Teacher to discuss remedial measures that can be taken. Such meetings, however, can be arranged on appointment made through the office of the Principal and on no account should parents contact the teachers in the classrooms directly.

SICK BAY

Under close guidance and supervision of our Chairman Dr. Piyush Sunda who himself is a pediatrician, we provide medical support to the students. A well stocked sick bay has been created within the campus. First aid kit is placed in all hostels. Students who need specialised medical treatment are provided transport and escort to the medical facilities in the city. Parents are kept informed about the treatment and follow-up action taken.

CAFETERIA

The school has a spacious spick-and-span cafeteria to provide refreshment to the students and staff. The standard of food in quality and quantity is absolutely hygienic. Less oily, nutritious eatables are provided and the quality of the food items served at the cafeteria and its neatness is constantly monitored by a team of teachers.

HOSTEL FACILITY

Built in a peaceful pastoral setting within the school campus, yet only a stone's throw from the school's central building, the self-contained, purposefully-built residence halls provide a wonderful opportunity for students to experience a greater degree of independence and privacy.

Hostel facility is available to the students who are unable to commute from distant areas.

Our hostels have double, triple and quadruple bed rooms. Attached washroom facility is also available in many hostels. All the hostels are centrally air-cooled. Boys and girls are housed in separate buildings.

The rooms of the hostel are modern, comfortable places for students to study, socialise and relax. As adult mentors, the residence hall staff provide the daily support needed to meet academic, emotional and social needs of the students.

LIFE IN RESIDENCE HALLS

The students of residence hall follow a fixed schedule during weekdays. The day starts with an early morning workout that may involve jogging, walking, aerobics, stretching and yoga, followed by breakfast. After school hours, the students take part in outdoor games activity followed by tutoring session and study time. Play time and outdoor games include lawn and table tennis, carom, basketball, cricket, baseball, volleyball and soccer. Students also get some leisure time daily to watch news, read books or attend other personal chores. During weekends, in addition to the regular study hours, students spend time on entertainment, swimming, and developing hobbies. The duration of entertainment, outdoor sports and indoor activities depends on the students' mood and weather condition. Once a month, students are taken out of the campus for shopping and entertainment. On a long weekend, students go for a full day outing/picnic. Participation in these activities are optional. Students also celebrate various festivals of the country.

DINING HALL

We have three spacious dining halls which can accommodate 500 students at a time. Each has enough airy space with the service areas in one side with three wings. This allows us to divide students classwise.

At breakfast and lunch time the staff sit at the students' tables to provide both supervision, create a family atmosphere and share meals together. These are the moments when students happily raise concerns with staff in an entirely non-judgmental manner. In the evening, dinner is a more relaxed affair with students sitting with their friends and staff providing a watchful eye on their behaviour dispassionately.

A first rate professional catering service is rendered by external contractors. To provide variety, they collect various recipes from all over India including regional specialities.

Hygiene and quality are rigorously enforced to ensure that students receive the enriched nourishment and teachers carefully (but quietly) monitor students to check that they have dinning etiquettes.

LIBRARY

The school has a fully equipped library with a vast collection of books and educational periodicals. The library is thoroughly automated and circulation of books is done through a proper system. Teachers and students utilise the library for reference connected with their projects as well as for leisure reading. Separate enclosures for self-study is made available for senior students.

The library is open from 8 a.m. to 2 p.m. on all working days. Students can get books issued during school hours.

Students are expected to follow the library rules and to maintain the decorum while making the best use of the library facilities. In the junior section, the library period is taken in class. The students may, in addition, can exchange books during the break.

Quiet place for work and study :

The library is meant to be a quiet place for study and reading. 'One should keep his/her voices low'. 'Please keep your voices low'. 'Treat everyone respectfully'. 'Do not disturb others'. 'Use appropriate voice and behaviour'. 'Learn to lower your voice before entering the library' are being conscientiously followed by students in the library. In common silence is maintained in the library.

BE A CONSCIENTIOUS READER AND ENJOY THE BENEFITS OF AN EXCELLENT SCHOOL LIBRARY.

TRANSPORT

Over 600 Talents were awarded in Honour Ceremony

Talent honour ceremony and cultural celebration, Prince Mahotsav-2022 of Prince Eduhub, Sikar was held on 26 December, 2022 at the Prince Academy Campus. In the program, Parmeshwar Kumawat, Kanika Matoliya & Nikita who got All India Rank-2 in CBSE Result 2022 were felicitated with Bike & Scooties. 24 students who were in CBSE-2022 AIR-10, 14 students who were in CBSE-2020 AIR-

10 & 6 students who were in RBSE-2022 AIR-15 were honoured with cash prize of 5100/- each.

In this grand celebration, which lasted for about 7 hours, more than 600 students of Prince Eduhub were awarded in four stages. The parents and family members of the students were also felicitated on the stage. Various cultural performances given by students enthralled the audience.

The President of the program, Mr. Karnal Singh is an former IPS officer who retired as Chief of Enforcement Directorate (ED), where he dealt with investigations pertaining to white-collar crimes. Mr. Singh superheaded the famous operation of Batla House encounter in 2008. He said that education, skill development & spiritual intelligence are needed to move forward in life. He enlightened students about the topics like emotional intelligence, death bed analysis, emotional & rational brain, killing spirit etc. through various examples.

More than 700 students gave Cultural Performances on stage

More than 700 students from the organizations of Prince Eduhub gave various performances on the stage. Kathak Fusion, Bhangra, Amchi Mumbai, Shiv Tandav, Arabian Nights, Gidda etc enthralled the audience. Institution Director, Jogendra Sunda gave the welcome address and Chairman, Dr. Piyush Sunda expressed his gratitude.

The Special Guest of the program, Deputy Solicitor General Basant Singh Chhaba told the students about goals, dreams, hard work & will power. Mr. Chhaba appreciated the efforts of the school for teaching cultural & moral values to the students. Chairman of the Police Accountability Committee, Rajasthan Mr. H.R. Kudi said that when one door of success closes, another door always opens. Therefore one should never be discouraged by failure.

Festino 2022

Annual Festival of Lotus Valley

The annual festival Festino-2022 was held at Lotus Valley, Junior Wing in Prince Academy, Palwas Road, Sikar. In the program, students of the institution gave presentations of different cultures of the country. The students captivated everyone with attractive performances like incredible india, Bhangra empire, Hanuman Chalisa, South Indian dance, Puppet Show, Musical Band, Wavin' Flag, Women Empowerment, Peacock Dance & many more.

Total 80 performances were given by the students on this three days celebration.

The guest of the program, Retired Brigadier B.B. Janu, Retired Col. Vir Singh Jadaun, Retired Col. D.S. Cheema felicitated the students who were winners in various sports, Olympiad and Karate Competitions.

On this occasion, Principal Poonam Chauhan presented the annual report & said that Prince Lotus Valley has become synonymous with all round development of the students. Miss Shippee Sunda said that pre-primary and primary education is the first step in personality building of a student. Organization Chairman Dr. Piyush

Sunda said that parents and teachers will have to make collective efforts for the overall personality development of the students. In today's time, the era of running behind scores has gone. Brigadier BB Janu said that it is necessary to develop officer-like qualities in a student from childhood.

Institution Director, Jogendra Sunda, Managing Director Ramakant Swami welcomed the guests.

Special Performance by the School Musical Band

On the Three-Days Annual Function, Festino-2022 at Lotus Valley, Junior Wing in Prince Academy, Palwas Road, Sikar, students made a spectacular presentation. Students performed Kathak, Belly Dance, Katputhali Dance, Musical Band, Bhangra Girls, Social Media Awareness, Ghar More Pardesiya, Peacock Dance, Dance Bhoot, Waving Flag, Women Empowerment, Qawwali, Than Liya, Mime Act, Incredible India, Bhangra Empire, Bandeya Re Bandeya, Jhansi Ki Rani, Future Generation, Jai Jai Shiv Shankar, Namo Namo, Advertisement Comedy Dance, Vande Mataram, Prince 100 Live Fusion Band, Jiya, Hanuman Chalisa, Classical, Khalibali, Education Theme, South Indian Dance, Bhagat Singh Act and Indian Culture fashion show which left the audience mesmerized and amazed. During the program, the display of Martial art of Taekwondo depicted the students' skills & hard work, as well as the discipline, physical fitness & self defense aspects of the sport.

Other Sports Activities

EVENTS

DEBATE COMPETITION

In the debate competitions at Prince Academy, teams present arguments for or against a specific topic or resolution to persuade the judges and audience that their position is the most logical and valid. Trophy & medals are given out to the Top Teams & individuals. School debate competitions help our students to develop their critical thinking, research, and public speaking skills, while also learning about important current events and issues.

MOTHER'S DAY

The Spirit of Motherhood is second to nothing. Therefore the students showed their love and gratitude towards Mothers by rendering heart touching songs and dances. Students praised their mothers for their strength, maternity and determination that inspired them to pursue a better life. The parents were quite delighted to go through pictures of mothers with their children showcased through a Power Point Presentation.

NATIONAL SPORTS DAY

Sports teach the students to play by the rules and with the team spirit. In order to celebrate the birthday of Major Dhyan Chand in the form of National Sports day, a friendly Hockey Match was organised among the students of upper primary section under the supervision of the coaches. The match taught the students to accept victory and defeat equally. Students were also made aware of the contribution of Indian Sports personalities in the field of games and sports.

WORLD ENVIRONMENT DAY

World environment day is celebrated at Prince Academy to raise awareness about environmental issues and promote sustainable living. The goal of the event is to educate students and the community about the importance of protecting the environment and preserving natural resources. Tree plantation is held on this particular day to increase the number of trees and improve the overall quality in the environment.

INVESTITURE CEREMONY

With great pomp and glory in a special ceremony of investiture, future leaders of Lotus Valley (Junior Wing of Prince Academy) were bestowed with various designations under different responsibilities. Many powers were vested in them as they were appointed as Captain, Vice Captain, Discipline Incharge, Sports Incharge, Spoken Incharge, Culture Incharge along with the title of Captains and Vice Captains of different houses. In the significant event, donning the mantles of accountabilities, they pledged to perform their duties to the best of their abilities.

MERRY CHRISTMAS

The birth of Jesus Christ exhibits to the world the magical power to look for good. The gracious event witnessed the tiny tots of Lotus Valley School celebrating Christmas by exhibiting their talent through songs and dances. The children spread cheer with their smiles and lovely attire of Santa Claus. Tiny tots performed a Christmas song along with dance by taking merry-go-rounds hovering around the Christmas tree. Santa of Lotus Valley who was dressed in red and sporting white beard carried bags full of goodies and distributed candies and gifts, dancing to the song "Jingle Bell".

PROJECT EXHIBITION

Project exhibition at Prince Academy is an event where students showcase their projects, models, and experiments to demonstrate their understanding of a particular subject or topic. These exhibitions are organized to showcase the students' work in different fields of study such as science, technology, engineering, and math (STEM), or Agriculture, Humanities and Commerce.

CHILDREN'S DAY

The birth anniversary of Chacha Nehru buzzed in the campus of Lotus Valley with excitement and joy. In order to mark a change in the happenings, special morning assembly was conducted by the teachers of Lotus Valley instead of students. In order to felicitate the students, different activities and programs such as scintillating skit, drawing competition and essay writing competition were organised keeping in mind their likes and interests. The tiny tots grabbed the opportunity to showcase their talent.
