From The Chairman's Desk...

Respected Parents and Dear Students,

Welcome to the academic session 2026–27. At Prince Academy, we believe education goes beyond academics, it shapes character, leadership, and values. Through a balanced focus on academics, competitive exam preparation, sports, arts, and life skills, we nurture well-rounded, responsible individuals. Our integrated coaching for JEE, NEET, NDA, CLAT, CUET, CA-Foundation, JET-ICAR and Olympiads, supported by expert faculty and personalized mentorship, ensures holistic growth and future readiness. Together, with your support, we strive to develop confident, compassionate, and visionary leaders of tomorrow.

Warm regards

Dr. Piyush Sunda

Prince Academy secured All India First Rank by Ministry of Education Govt. of India

Ministry of Education, Govt. of India announced Swachh Campus Ranking in a magnificent and glorious event organised at New Delhi in which Prince Academy of Higher Education, Sikar has been bestowed with the First Rank Award at all India level.

The Chairman of Prince Academy, Dr. Piyush Sunda was honoured by the R. Subrahmanyam (Secretary HE - Govt. of India), D.P. Singh (UGC Chairman), Professor Anil D. Sahastrabuddhe (AICTE Chairman), Dr. W.G. Prasanna Kumar (MGNCRE Chairman) and Professor M.P. Poonia (AICTE Vice Chairman). All dignitaries congratulated him on this splendid achievement.

Campus

PRINCE ACADEMY, renowned CBSE English Medium Residential Cum Day Scholars' School, spread over more than 100 bighas in picturesque surrounding, having a distinct Educational ideology and offering Quality Education to shape the Enlightened Citizens of tomorrow.

Awarded by :
Secretary - HE, Govt. of India,
Chairman - UGC, Chairman - AICTE
& Chairman - MGNCRE.

From The Director's Desk...

Dear Prospective Parents & Students,

Welcome to the academic session 2026–27 at Prince Education Hub. Since 1997, we have been committed to academic excellence, holistic development, and value-based education. Our integrated learning model combines strong schooling with expert preparation for competitive exams, nurturing critical thinking, leadership, and global awareness. With world-class infrastructure, dedicated faculty, and a student-centric approach, we empower learners to achieve their aspirations and contribute meaningfully to society. Together, let us shape confident, capable, and responsible leaders of the future.

Jai Hind!

Jogendra Sunda

(Director)

Prince Eduhub, Sikar

चक दिया इण्डिया

Winner of All India Inter School Band Competition-2025

(Organized by Ministry of Defence & Ministry of Education, Govt. of India)

Prince Secures 1st Position in All India Inter-School Band Competition-2025

Prince Brings National Glory to Sikar for the Second Time

It is a matter of immense pride for Rajasthan that the musical band of Prince Lotus Valley branch of Prince Eduhub, a CBSE English medium school in Sikar, has secured the first position at the All India Inter-School Band Competition organized under the joint aegis of the Ministry of Defence and the Ministry of Education, Government of India.

The competition was conducted in multiple stages, with the first phase held at the divisional level, followed by the state level in the second phase and the zonal level in the third. In all three stages, the musical band of Prince Lotus Valley branch of Prince Eduhub emerged as the winner, securing the top position consistently.

The final round was organized by the Ministry of Defence at Major Dhyani Chand National Stadium, New Delhi, where the top-selected school bands from across the country competed. In the final rankings, as declared by the Ministry of Defence and the Ministry of Education, the musical brass band of Prince Lotus Valley branch of Prince Eduhub was awarded the First Prize at the national level. Over 150 school bands from across India participated in the competition.

During the felicitation ceremony, Union Minister of State for Defence Shri Sanjay Seth, Defence Secretary Shri Rajesh Kumar Singh, Education Secretary Shri Sanjay Kumar, Joint Secretary of the Ministry of Defence Shri Amitabh Prasad, and Joint Secretary of the Ministry of Education Dr. Amarpreet Duggal, along with other dignitaries, honored the Prince musical band team with the championship trophy and certificate of appreciation. Notably, this is the second time that the Prince School Musical Band has secured the first position at the national level, bringing immense honor to Sikar on a prestigious national platform.

Role of Education in Nation Building & Contribution of Prince in this Campaign

India's first Nobel Laureate, Rabindranath Tagore, aptly stated that "The highest education is that which does not merely give us information, but makes our life in harmony with all existence." Education shapes thought, refines character, and ultimately manifests in responsible action. Its role is pivotal in building a moral, ethical, and progressive society. In a nation as vast as India, education alone has the power to transform us into a truly developed country. At Prince Education Hub, we embrace this responsibility with conviction. Beyond academic learning, we offer a wide spectrum of life-enrichment and community-oriented programs, designed to nurture holistic growth.

Our multi-dimensional educational ecosystem spans academics, sports, medicine, engineering, armed forces training, civil services, law, agriculture, commerce, and more—redefining the modern educational landscape. With world-class infrastructure, cutting-edge technology, and a team of highly qualified and forward-thinking educators, Prince Education Hub remains committed to serving the nation. We pledge to continue empowering every learner, ensuring that each individual becomes capable, confident, and ready to contribute meaningfully toward a developed India.

A World Class School with A Difference

The Academy is spread out in 100 bighas of land with modern architecture and wide space. The location, climate and infrastructure are very conducive and eco-friendly for a healthy academic life. It is located only 3 kms away from the main city, far away from the noise and pollution of the city, situated at Jaipur-Bikaner highway in an extremely peaceful area. Our endeavour is to equip Prince Academy with the best possible facilities found in an international school.

Prince Academy was envisaged as co-educational English medium school with a new approach, established by PRINCE ACADEMY OF HIGHER EDUCATION. It is a purpose built school and it has learning spaces to support the child and respect his/her expression of individuality. Parents no longer need to worry about extra curricular activities and developing hobbies of their wards as Prince Academy surely provide them with the best environment for these activities during school hours.

Prince Academy's mission is completely student oriented and to provide them quality education. It has the faculty who not only love children but also love teaching. At Prince Academy we are committed to explore the potential of your wards to make them worthy citizens and future leaders to bring glory for their country.

Philosophy of Excellence

VISION

To empower learners with knowledge created and values preparing them to become confident global citizens

MISSION

To provide quality education enriched with 21st century skills- Communications, collaboration, Critical Thinking, Creativity and problem solving. Ensuring that every student develop the competencies required for future careers and life challenges.

Special focus is given to skill based education, hands on learning and experiential activities

OUR PEDAGOGY

**Holistic Educational Approach is designed
with intensive focus on equip**

CBSE CURRICULUM

CBSE aims to achieve the following objective through its designed CBSE Course Curriculum.

- Students should explore their inner potential and enhance their self-awareness.
- They learn to utilize technology and information for the betterment of humanity.
- They must inculcate values and cultural learning in them.
- They could able to promote life skills, set their own goals and acquire knowledge for lifelong learning.
- They could express their talent publicly and appreciate others for good work.
- Students should strengthen their knowledge and develop livelihood skills.
- Students should be physically fit, healthy and well-being.
- They must try to achieve cognitive, affective and psychomotor excellence.
- We deliver greater coherence for children by linking together some subjects in series of termly topics.

Universal Access to Early Childhood Care & Education (ECCE)

Universal Access

For children of 3-6 years: access to free, safe, high quality ECCE at Anganwadis /Pre-school/Balvatika

Foundational Learning Curriculum

For age group of 3-8 divided in two parts:

(I) From age 3-6 in ECCE and (ii) age 6 to 8 in class I and II in primary school

Multifaceted

Flexible, multi-level, play-based, activity-based, and inquiry-based learning

Preparatory Class

Prior to the age of 5 every child will move to a "Preparatory Class" or "Balvatika" (that is, before Class 1)

Implementation to be jointly carried out by Ministries of HRD, Women and Child Development (WCD), Health and Family Welfare (HFW), and Tribal Affairs

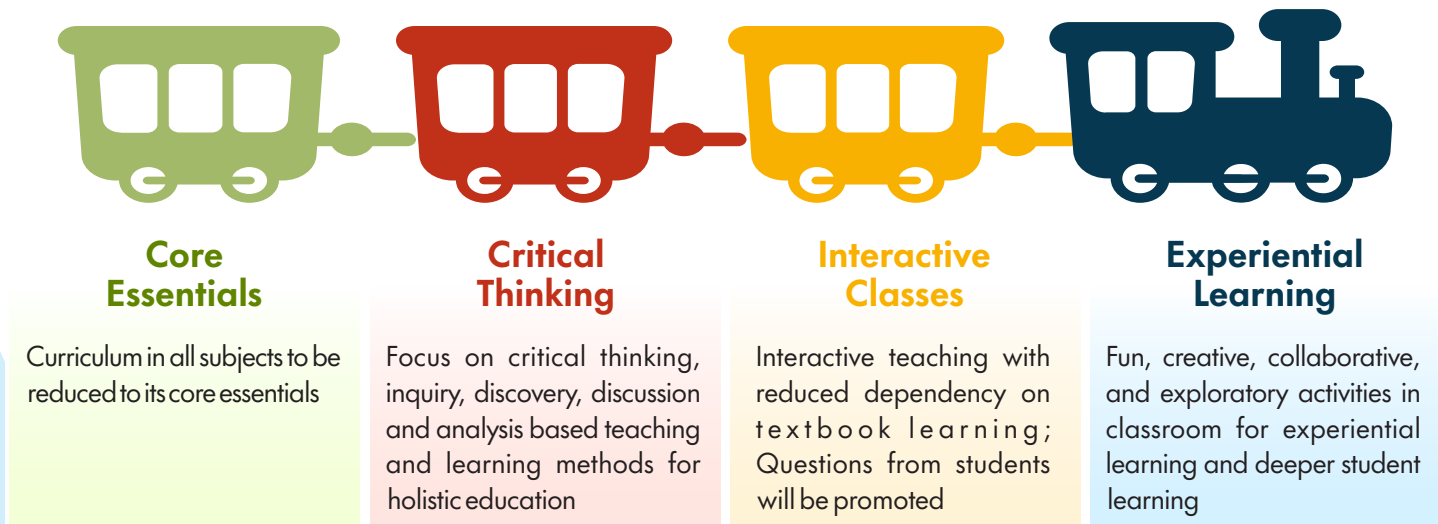

Transforming Curricular & Pedagogical Structure

Secondary	4 Years (Age 14-18) (Class 9 to 12)	→	Secondary Stage - Multidisciplinary study, greater critical thinking, flexibility and student choice of subjects.
Middle	3 Years (Age 11-14) (Class 6 to 8)	→	Middle Stage - Experiential learning in the science, mathematics, arts, social sciences, and humanities.
Preparatory	3 Years (Age 8-11) (Class 3 to 5)	→	Preparatory Stage - Play, discovery, and activity-based and interactive classroom learning.
Foundational	2 Years (Class 1 & 2) (Ages 6-8) <hr/> 3 Years (Anganwadi/ Pre-School / Balvatika (Ages 3-6)	→	Foundational Stage - Multilevel, play/activity-based learning. Three years in Balvatika.

Early Childhood Education: Learning in the Formative Years

Reduction in Curriculum

- Curriculum and pedagogy to be transformed by 2022 to promote skill based and minimize rote based learning
- Revision of NCF for school education and NCF for teacher education 2009 by 2021

Focus on LOs, Competencies and subject - integration

Competency based education

Modules on preparing and implementing pedagogical plans based on competency and outcome-based education for school leaders

Integration of subjects

Through arts integrated, sports integrated, ICT integrated and storytelling based pedagogy among others as standard pedagogy

Development of scientific temper

Development of scientific temper and inculcation of knowledge and practice of human and constitutional values such as patriotism, sacrifice, non-violence, truth, honesty, peace etc.

NO SILOS among subjects/learning

NO hard separation between:

- Curricular/co-curricular/extra-curricular;
- Academic/vocational;
- Science/humanities;
- Sports/art/academics

Emphasis on Digital literacy

Emphasis on digital literacy, coding and computational thinking, ethical and moral reasoning

Promotion of multi-lingual teaching

Promoting states to enter into bilateral agreements with nearby states to hire language teachers

Innovative Pedagogy: Transforming teaching learning process

Experiential Learning

- Focus on experiential, inquiry and discovery based teaching learning methods

Integrated Pedagogy

- Arts, sports, and story-telling and ICT-integrated pedagogy

Promotion of peer tutoring

- Promoting peer tutoring as voluntary and joyful activity under the supervision of teachers

Equal Weightage

- No hard separation between curricular, co-curricular and extra curricular area.
- Freedom of choosing a variety of subject combination to be provided

Bagless Days

- Bagless days to be scheduled in academic calendar

Use and integration of technology

- Integration of technology enabled pedagogy in classes 6-12

TEACHING MODULES

The education programme at Prince Academy of Higher Education is thoughtfully designed to ensure the all-round development of every child. The academy provides a nurturing, child-friendly environment that supports quality early childhood, primary, and middle-level education.

Our curriculum focuses on developing cognitive abilities, life skills, and creativity through activity-based and experiential learning. Emphasis is placed on learning by doing, enabling young learners to understand concepts naturally and joyfully.

Subjects such as Mathematics, English, Hindi, and Science are taught by connecting classroom learning with real-life situations, making education meaningful, practical, and engaging. A structured, step-by-step learning approach ensures clarity at every stage, supported by regular practice, exploration, and hands-on activities. Special attention is given to enhancing fine motor skills, attention span, and core learning abilities through well-planned practice sessions.

TOPPERS' TALK

Inspiring Excellence Through Leadership

After every examination, the school organizes a Toppers' Talk session, led by senior leadership and academic authorities, to recognize achievement and inspire every learner.

During these sessions, high-performing students are acknowledged not only for their results but also for their discipline, consistency, and learning mind set. The higher authority shares insights on effective study strategies, resilience, and the importance of continuous self-improvement-transforming success into a shared learning experience.

These interactions motivate students to reflect on their performance, set higher goals, and approach future challenges with confidence and clarity.

Prince Academy students have the luster of versatile caliber.

- Naturalist Musical Auditory
- Body Kinesthetic
- Multiple Intelligence
- Linguistic Literary
- Logical Mathematics
- Visual-Spatial
- Interpersonal

The Visionary Space

This is a thoughtfully designed space that encourages students to explore their creativity and express their ideas with confidence. It provides opportunities to engage in art, craft, music, dance, drama, and other creative activities that support holistic development. Through structured sessions and guided activities, students enhance their imagination, aesthetic sense, and problem-solving skills. Creative Corner also helps in identifying and nurturing individual talents while promoting self-expression and innovation. By integrating creativity with learning, it plays a vital role in developing well-rounded personalities and fostering a lifelong appreciation for art and creative thinking.

olympiad

" At Prince Academy, excellence is a consistent outcome of focused learning.

Prince Academy has achieved commendable results in the various Olympiads conducted during the academic session. Students participated across multiple subjects and demonstrated strong academic competence and discipline. These achievements reflect the dedicated efforts of the students, the effective guidance provided by the faculty, and the institution's commitment to academic excellence. The consistent performance in Olympiads has brought recognition and pride to the school.

Where professionalism meets togetherness

Adhesion Meet Prince Academy organizes its Adhesion Meet as a distinguished gathering for teachers and academic authorities, aimed at strengthening professional connections and fostering a culture of collaboration. This meet serves as a platform to bring educators together in an atmosphere of mutual respect and unity. The event features an elegant gala dinner, creating a warm and refined setting for meaningful conversations. A special highlight of the Adhesion Meet is the one-on-one interactions, encouraging open communication, idea exchange, and stronger professional bonding among faculty members. Planned and executed at a premium, brand-focused level, the Adhesion Meet reflects Prince Academy's commitment to excellence, teamwork, and a progressive academic environment. The event leaves a lasting impression of togetherness, trust, and shared vision.

BEST PRE FOUNDATION

P R O G R A M M E

Classes VI to X

Nurturing the Potential of Young Minds

At Prince Education Hub, we believe that every great achievement starts with a strong foundation. Our Pre-Foundation Programme for Classes VI to X is designed to lay the groundwork for success in competitive exams like **JEE, NEET, UPSC, CLAT, CUET,**

IOQM, NSEJS, STSE, NMTC and prestigious Olympiads such as **IMO, NSO, IAPT, PRMO,** and more. With a focus on conceptual clarity, logical reasoning, and problem-solving, we equip students with the skills needed to excel academically and beyond.

Why to Choose the Pre-Foundation Programme?

- **Holistic Learning Approach :**

A balanced curriculum that strengthens core concepts while building critical thinking and problem-solving skills for academic excellence.

- **Olympiad & Competitive Exam Exposure:**

From Class VI onwards, students are introduced to Olympiad-oriented learning, boosting their confidence, problem-solving skills, and competitive mindset, while preparing them for higher-level academic challenges.

- **Step-by-Step Academic Growth :**

Each year builds upon the last, ensuring seamless academic progression. By Class X, students are well-versed in core concepts and exam techniques, making them confident and competitive.

- **Proven Results :**

The success of our Pre-Foundation Programme is reflected in the outstanding achievements of our students in national and international Olympiads, as well as their strong academic records.

Programme Highlights

- Expert faculty with years of experience in competitive exam training.
- Regular assessments, quizzes, and mock tests to monitor progress.
- Engaging classroom sessions, practical demonstrations, and doubt-clearing classes.
- A supportive environment that encourages curiosity and self-confidence.
- Special doubt counters are arranged for query resolution.

Prince Olympiad 2025 stands as one of India's most trusted and prestigious national-level talent search examinations, conducted by Prince Education Hub, Sikar. Designed for students of Class 5 to 12, this Olympiad provides a distinguished platform to identify exceptional talent, nurture academic brilliance, and reward outstanding performance at both state and national levels. It not only strengthens conceptual understanding but also prepares

Unleash Your Potential. Rise Beyond Limits.

- Why Prince Olympiad?
- Benchmark your talent among the best
- Boost your preparation for competitive exams
- Earn scholarships, awards & national recognition
- Strengthen conceptual clarity & analytical thinking

A Platform That Builds Champions

Prince Olympiad 2025 stands as one of India's most prestigious academic talent platforms, offering an exceptional opportunity for students of Class 5 to 12 to showcase their brilliance on state and national levels. With a grand scholarship and prize pool of 75 Crores, the Olympiad not only rewards top-performing students but also motivates every participant to strive for excellence.

For top merit rankers, the Olympiad provides cash prizes, tuition fee scholarships ranging from 100% to 20%, medals and trophies, and merit certificates to recognize extraordinary academic performance. Additionally, state and district toppers receive exclusive accolades and are specially invited to the Grand Felicitation Ceremony at Prince Education Hub, Sikar.

Every participant is valued, receiving a participation certificate and a detailed performance report, highlighting strengths and areas for improvement. This structured evaluation enables students to benchmark their performance, strengthen conceptual understanding, enhance problem-solving skills, and gain early exposure to competitive exams such as JEE, NEET, CUET, NTSE, and other Olympiads. Participation instills confidence, logical reasoning, and analytical abilities, preparing students for future academic and career challenges.

ANNUAL SPORTS MEET 2025

"Where Every Step Leads to Victory"

Prince Academy celebrated its grand Annual Sports Meet "WARROS" 2025-26 with great enthusiasm and sportsman spirit. The event began with the arrival of the esteemed Managing Committee of Prince Edu Hub, whose presence added dignity to the occasion.

The programme commenced with the lighting of the lamp and invocation of Goddess Saraswati, followed by the Ignition of the Torch of Triumph handed to national-level players. The School Flag hoisting and a well-coordinated March Past led by the Council Members marked the formal opening of the meet. Colourful balloons were released symbolising the hopes and aspirations of Prince Academy.

Spectacular performances by the Musical Band, Mass Drill, and Karate display captivated the audience. The friendly games played by the dignitaries set a cheerful tone for the sports events, reinforcing the belief.

Spring Vibes

Annual Fete-2025

The Annual Fete unfolded as a magnificent celebration, brimming with vibrancy, enthusiasm, and a profound sense of community. Students, parents, and teachers actively engaged in an array of exhilarating games, captivating cultural performances, and flavourful food stalls. The event resonated with energetic music, graceful dance sequences, and imaginative exhibitions that

highlighted exceptional talent and artistic brilliance.

Thrilling rides and exciting lucky draws further elevated the festive atmosphere, transforming the day into an unforgettable experience for all. More than just a festive gathering, the fete nurtured camaraderie, joy, and meaningful connections within the school community.

A day where celebration met togetherness creating memories that echo beyond the moment.

NCC – Unity, Discipline and Leadership

The National Cadet Corps at Prince Academy provides a strong foundation for discipline, confidence and responsible citizenship. Upholding its motto “Unity and Discipline,” the programme inspires national pride, teamwork and character-building.

From Class VIII onwards, cadets receive structured training in drill, parade, physical fitness, basic weapon handling, leadership and personality development. This training enhances their endurance, resilience and commitment.

Bringing together students from diverse backgrounds, NCC promotes unity, secularism and national integration. Through camps, community service and ceremonial parades, cadets learn the true spirit of serving the nation.

Successful cadets become eligible for the prestigious ‘A’ Certificate, opening pathways to future opportunities, especially in defence and public service.

“Crafting a Generation Ready to Serve, Ready to Lead.”

Center of Scientific Exploration

PHYSICS LAB

Hands-on Learning

The Physics Lab at Prince Academy, Sikar, enhances learning through practical experiments in mechanics, optics, and electricity. Equipped with modern apparatus, it fosters scientific curiosity, critical thinking, and innovation. Guided experiments help students bridge theory with real-world applications, making physics an exciting and engaging subject.

CHEMISTRY LAB

Exploring Reactions

The Chemistry Lab at Prince Academy, Sikar, offers a safe and interactive space for students to conduct experiments in chemical reactions, titrations, and analysis. Well-equipped with essential chemicals and glassware, the lab enhances understanding, fosters curiosity, and develops analytical skills, preparing students for future studies and research in chemistry.

BIOLOGY LAB

Discovering Life

The Biology Lab at Prince Academy, Sikar, provides students with microscopes, specimens, and models to explore life sciences. Practical experiments, dissections, and slide preparations make learning engaging. The lab nurtures curiosity, critical thinking, and a deep understanding of biological systems, laying a strong foundation for medical and research careers.

LEARNING RESOURCE CENTRE

An Ecosystem of Inquiry, Reflection, and Discovery

The Learning Resource Centre functions as the intellectual heart of the campus, thoughtfully designed to support inquiry-driven and interdisciplinary learning. It provides access to a wide range of curated digital platforms, reference materials, and academic resources that encourage students to explore ideas independently and collaboratively.

The centre supports research-based learning by enabling students to investigate global perspectives, analyse information critically, and develop meaningful connections across subjects. This environment nurtures curiosity, reflection, and intellectual independence key attributes of lifelong learners in an international academic context.

INFORMATION TECHNOLOGY

Technology as a Catalyst for Innovation

At Prince Academy of Higher Education, technology is seamlessly embedded within the learning process to enhance creativity, collaboration, and problem-solving. Students have access to advanced computing systems and digital tools that support research, coding, presentations, and multimedia learning.

The curriculum emphasizes responsible digital citizenship, guiding students to use technology ethically and thoughtfully. Through structured digital engagement, learners develop adaptability, technological fluency, and critical thinking skills—essential competencies for success in a globally connected world.

ENGLISH LANGUAGE LABORATORY

Developing Global Communicators

The English Language Laboratory is a purpose-built space focused on strengthening communication as a core academic and life skill. Through immersive listening, speaking, and interactive language activities, students refine pronunciation, fluency, articulation, and comprehension.

The lab enables learners to practise authentic communication scenarios, preparing them for presentations, collaborative discussions, and international academic environments. Emphasis on clarity, confidence, and cultural awareness empowers students to express ideas effectively across diverse contexts.

MATHEMATICS LABORATORY

From Concept to Application

The Mathematics Laboratory encourages deep conceptual understanding through experiential and inquiry-based learning. Students engage with mathematical ideas using hands-on tools, real-world problem scenarios, and exploratory activities that strengthen reasoning and analytical thinking.

This learning environment promotes curiosity, precision, and logical clarity while helping students appreciate mathematics as a universal language essential for innovation, scientific thinking, and global problem-solving.

SMART CLASS

SMART, as an audio-visual aid, serves as a powerful tool in modern education, offering a dynamic approach to learning. It aims to foster intellectual growth among high-achieving students by ensuring the effective and efficient use of smart classrooms. The school has integrated a seven-school system equipped with advanced audio and video tools, enhancing the learning experience. Various topics are explained using computers, CDs, Overhead Projectors (OHPs), and LCD screens, making complex concepts easier to grasp.

Additionally, a systematic approach is taken to utilize scientific channels from the World Wide television network, broadening students' understanding of global advancements. The classrooms are designed to be airy and spacious, allowing for sufficient natural light to create a bright and comfortable ambiance. A sense of openness prevails, complemented by air-conditioned environments that ensure an optimal atmosphere for learning. A well-ventilated and comfortable classroom plays a crucial role in enhancing concentration and productivity, enabling students to engage more effectively with their studies and maximize their academic potential.

AI ROBOTICS : THINK. CODE. CREATE

At Prince Academy, innovation is a culture. Our AI & Robotics Lab is a future-ready space that nurtures analytical thinking, creativity, and technological skills. Students explore Artificial Intelligence, Robotics, Coding, and Automation through hands-on, project-based learning, enabling them to design, program, and innovate with confidence. Through hands-on projects and guided experiments, students learn to design and program intelligent systems, developing logical reasoning, problem-solving skills, and an innovation mindset from an early age.

KNOWLEDGE NOOK

The Knowledge Nook is a serene and inspiring space designed to cultivate reading habits and intellectual curiosity among students. Enriched with a wide range of books and learning resources, it encourages independent reading, thoughtful reflection, and lifelong learning. This space supports academic excellence while nurturing imagination and creativity in young minds **"A quiet space where curiosity grows."**

Tech-Class

Robo-Tech

Wisdom

State-of-the-Art Library

A Treasure of 10,000 Books Prince Academy boasts a spacious and well-equipped library that serves as a vibrant knowledge hub for students. With a rich collection of 10,000+ books, the library offers a diverse range of academic resources, reference materials, competitive exam guides, literary works, and subject-specific texts to support comprehensive learning.

Designed to inspire curiosity and self-study habits, the library provides a peaceful reading environment, digital access facilities, and dedicated study zones. This vast repository of knowledge ensures that students have every opportunity to expand their horizons and cultivate a lifelong love for learning.

Quiet place for work and study :

The library is meant to be a quiet place for study and reading. 'One should keep his/her voices low'. 'Please keep your voices low'. 'Treat everyone respectfully'. 'Do not disturb others'. 'Use appropriate voice and behaviour'. 'Learn to lower your voice before entering the library' are being conscientiously followed by students in the library. In common silence is maintained in the library.

BE A CONSCIENTIOUS READER AND ENJOY THE BENEFITS OF AN EXCELLENT SCHOOL LIBRARY.

Sanskrit & Foreign Languages

Prince Academy is a firm believer in Indian culture and heritage, and studying Sanskrit is compulsory for students from Classes VI to X. The Academy inculcates traditional values with a modern outlook. We believe that in today's world, knowledge of foreign languages is a valuable asset that provides brighter career opportunities. At Prince Academy, learning a French language is compulsory for all students from Classes III to VIII.

At Prince Academy, our mission is to empower students with the skills, knowledge, and cultural sensitivity required to thrive in a rapidly changing world. Through our dynamic blend of Sanskrit and global languages, we nurture responsible, confident, and culturally aware individuals who are prepared to succeed on both national and international platforms.

"Rooted in Tradition, Ready for the World."

MUSIC & DANCE

“Where Talent Takes Shape, and Expression Finds Its Voice.”

Dance nurtures **manual dexterity, confidence, rhythm, and emotional balance**, shaping a student's personality for life. At Prince Eduhub, highly trained professionals in **Indian Music (Vocal & Instrumental)** and diverse **Dance forms**-Classical, Folk, and Contemporary-guide our young artists to learn, perform, and create their own world of joy and creative expression.

We inspire students to embrace these art forms wholeheartedly and explore unlimited possibilities through creativity and discipline.

What Students Experience Here:

- A platform to learn and master a wide range of **Indian dance styles-Classical, Folk, and Contemporary.**
- Exposure to the rich heritage of **Indian Music**, its techniques, and foundational elements.
- Training in the **ethics, purity, and discipline** of Indian Vocal Music.
- Opportunities to refine their musicality in **Western Music-both instrumental and vocal.**
- Guidance from experts in **Western dance forms**, including Salsa, Jazz, and other global styles.

“Prince Eduhub - Turning Every Step into Art, and Every Note into Brilliance.”

“National Stage. Limitless Talent. Unmatched Pride.”

We are delighted to highlight a proud milestone in our institution's journey of excellence. A total of 1,100 students from our school had the extraordinary opportunity to participate in a special performance for the nationally acclaimed television show “India's Got Talent.”

Recorded during a live telecast segment, this grand presentation showcased the discipline, coordination, creativity, and artistic brilliance of our young performers on a prestigious national platform. The performance was later broadcast on television in October, giving our students invaluable national exposure and bringing immense pride to our entire school community.

Such remarkable opportunities reflect our unwavering commitment to nurturing confidence, creativity, and holistic growth in every learner. By providing platforms of national stature, we strive to empower our students to dream big and excel beyond the classroom.

CO-CURRICULAR ACTIVITIES

A baby in his pram clenches and unclenches his fists to prepare himself to pull himself up, a child also practices life skills that he will need later. Most of this preparation can be seen in his play and activities. For example a child becomes absorbed with games such as jigsaws and interlocking bricks requiring the same type of manual dexterity that he will need when he tries to use a pencil. In the light of the above, it is no wonder that all students enjoy a number of activities which enable them to gain a sense of self-sufficiency and self-contentment. The numerous activities are pursued by students under the able guidance of trained members of the staff.

ACTIVITIES

"Beyond Books, Towards Excellence."

- Art & craft
- Indian & Western Dance-Music
- Aerobics, Martial art, Taekwondo
- Physical Education
- AI Robotics & STEM
- Literary Activities (Debate, Elocution, Creative Writing)
- Dramatics
- Organised games
- Floral display and Photography
- Meditation & Yoga
- Public Speaking
- Subject Enrichment Activities
- Value Education & Life Skills Programs
- Educational Trips & Excursions

Agriculture Tour

Group Discussion

"Students are encouraged to explore their interests through a wide range of co-curricular clubs and activity-based learning programs designed to nurture creativity and promote holistic development."

Recognising **Merit** Rewarding **Effort** Inspiring **Excellence**

MEDAL & MERIT
Recognition Ceremony

At our institution, the authority firmly believes that true motivation comes from meaningful recognition. After every examination, a Medal & Merit Recognition Ceremony is conducted to honour students who demonstrate exceptional academic excellence.

To further encourage and uplift young achievers, students are awarded medals along with merit certificates, acknowledging their hard work,

consistency, and dedication. In addition, cash prizes are also presented as a special incentive to boost confidence, strengthen self-belief, and inspire students to aim higher in their academic journey.

This well-structured recognition system creates a culture of healthy competition, continuous improvement, and excellence, ensuring that every effort is valued and every success is celebrated.

PARENT ORIENTATION PROGRAMME

“SANWAAD” – A Direct Connect Between Parents and School Leadership

At Prince Eduhub, special parent orientation sessions like “SANWAAD” are organised to ensure transparent and meaningful communication between the institution and parents. In these sessions, the school’s highest authorities — including the Founder & Director, Chairman, Chief Managing Director, Managing Director and Principal — interact directly with parents to discuss students’ academic progress, residential environment, and overall development. Such forums strengthen mutual understanding, encourage constructive feedback, and reinforce the school’s commitment to maintaining a supportive and progressive atmosphere for every student.

PARENT-TEACHER MEETING

Parent-Teacher Meetings are an essential part of the school’s academic framework, providing a meaningful platform for parents and teachers to discuss a child’s progress and developmental needs. Attendance is compulsory for all parents, and in unavoidable situations, a written intimation is required. If a student needs additional academic support, parents may request an appointment through the Principal’s office to meet the Principal, Vice Principal, Headmistress, Class Teacher, or the concerned Subject Teacher. However, direct interaction with teachers in the classrooms is strictly not permitted under any circumstances.

CBSE SAHODAYA CONFERENCE

Prince Education Hub participated in the CBSE Annual Academic Conference 2025 held on 11th December at Shilpakala Vedika, Hyderabad, bringing together leading educators from across the nation to deliberate on educational reforms, innovation, technology integration, assessment enhancement, multilingual learning, and NEP 2020-aligned quality benchmarks. Chairman Dr. Piyush Sunda shared that the academic insights and leadership perspectives gained from this national platform will play a significant role in strengthening institutional practices and preparing students to become future-ready global citizens.

CAPACITY BUILDING PROGRAMME (CBP)

The Capacity Building Programme (CBP) conducted by CBSE is a key initiative that strengthens teachers’ professional competencies through modern pedagogical training and updated educational practices. These workshops emphasize subject-specific enrichment, effective classroom management, refined assessment techniques, and technology integration, equipping educators to create more interactive and student-centric learning environments.

HOSTEL FACILITY

Built in a peaceful pastoral setting within the school campus, yet only a stone's throw from the school's central building, the self-contained, purposefully-built residence halls provide a wonderful opportunity for students to experience a greater degree of independence and privacy.

Hostel facility is available to the students who are unable to commute from distant areas.

Our hostels have double, triple and quadruple bed rooms. Attached washroom facility is also available in many hostels. All the hostels are centrally air-cooled. Boys and girls are housed in separate buildings.

The rooms of the hostel are modern, comfortable places for students to study, socialise and relax. As adult mentors, the residence hall staff provide the daily support needed to meet academic, emotional and social needs of the students.

LIFE IN RESIDENCE HALLS

Life in the residence halls at Prince Academy of Higher Education is designed to balance discipline with holistic growth. Here is a condensed look at the student experience:

- **Daily Routine:** Weekdays prioritize wellness with morning exercise (yoga, jogging) followed by structured academic hours and evening supervised study sessions.

- **Physical Activity:** A robust sports program includes everything from lawn tennis and basketball to cricket and swimming, fostering teamwork and fitness.

- **Balanced Leisure:** Students enjoy dedicated time for personal hobbies, reading, and relaxation to ensure mental well-being.

- **Weekend Enrichment:** Saturdays and Sundays blend continued academic support with creative pursuits, hobby development, and recreational outings.

- **Community Life:** The environment promotes inclusivity and social responsibility through the celebration of diverse festivals and shared cultural values.

DINING HALL

"Where Every Meal Feels Like Home."

Prince Eduhub houses three expansive dining halls, collectively accommodating up to 500 students at a time. Each hall is airy, well-lit, and thoughtfully structured with dedicated service wings, allowing us to organize students class-wise for smooth and disciplined dining.

During breakfast and lunch, staff members sit alongside students, creating a warm, family-like environment. These shared meals offer students a comfortable opportunity to voice their thoughts, seek guidance, or express concerns in a supportive, non-judgmental space.

In the evening, dinner becomes a relaxed and refreshing experience, where students enjoy meals with friends, under the discreet and caring supervision of the staff.

To ensure quality and variety, a top-tier professional catering service manages the kitchen operations. The menu is thoughtfully curated with recipes from various Indian regions, adding a tasteful diversity to everyday meals. Hygiene standards are maintained rigorously, ensuring that every meal provides rich nourishment and safe consumption. Teachers also quietly guide students on proper table manners, helping them develop refined dining etiquette.

Enchanting Campus

The campus is blessed with a serene and sacred temple that fills the surroundings with peace, positivity, and spiritual harmony. Students begin their day with divine blessings, creating an atmosphere of calmness and gratitude. The temple stands as a symbol of values, discipline, and moral strength, inspiring students to stay grounded while they grow academically and personally. Its tranquil environment offers a perfect space for reflection, prayer, and inner balance, making the campus not just a place of learning but also a sanctuary of spiritual well-being.

Peace, Prayer, and Progress in Every Step."

Young Scientist's Showcase

REGIONAL LEVEL SCIENCE EXHIBITION

Our students have been making a mark at regional-level science exhibitions with their innovative and eco-friendly projects. This year's exhibits included the 'Water Retention Plant Balls', a novel agricultural solution aimed at easing the burden on farmers, as well as the 'Groundwater AC and Room Heater' and 'Carbon into Ink' models, which showcased their creativity and resourcefulness. We are thrilled to see our students applying scientific concepts to develop sustainable and practical solutions, and their consistent recognition at these events is a testament to their hard work and dedication.

Aviation Dreams Realized Student's Drone Project Takes Flight

Handmade
DRONE Designed

Honoured for exemplary innovation and engineering excellence demonstrated through the creation of a sophisticated handmade drone."

INFIRMARY

"Quick care. Safe hands. Healthy minds."

Under the expert oversight of our Chairman, Dr. Piyush Sunda, a distinguished pediatrician, the school maintains a prompt and efficient healthcare system. A fully equipped Infirmary, supported by first-aid provisions across all hostels, ensures swift response to any medical need. Students requiring specialised intervention are escorted to accredited medical centres, with parents immediately apprised of the treatment and subsequent care.

CAFETERIA

"Fresh, Flavorful & Hygienically Served."

The school's cafeteria is a clean, spacious, and well-maintained space designed to provide students and staff with refreshing and nutritious options. Every food item served is less oily, hygienic, and carefully prepared to meet health standards. A dedicated team of teachers routinely monitors cleanliness and student discipline, ensuring a pleasant experience for all.

"Prince Eduhub — Nourishing Minds, Nurturing Habits, One Meal at a Time."

ATM FACILITY

For ease and convenience, the campus is equipped with a 24x7 operational ATM, enabling students, parents, and staff to access essential banking services within the school premises. The presence of this facility promotes responsible financial habits and supports a self-reliant campus environment.

"On-Campus ATM: Your Money, Always Within Reach."

BARBER SHOP

Prince Academy ensures that every student enjoys a comfortable and well-managed campus life. To support this, the Academy provides an on-campus Barber Shop facility, offering a clean, safe, and professional grooming experience. The facility is managed by trained staff who maintain high standards of hygiene and ensure quick, hassle-free services. Students can conveniently access grooming without leaving the campus, saving time and enhancing their daily routine.

Convenience Meets Care—Your Campus Grooming Hub.

TRANSPORT

“Safe, Seamless & Secure — Because Your Child’s Journey Matters.”

Prince Eduhub provides a well-organized and fully monitored transport system for Day Scholars from Nursery to Class XII. All buses are modern, well-maintained, and equipped with essential safety features. Every driver and conductor is appointed after thorough background verification and training to ensure complete safety of students.

The transport fee is kept reasonable and is applicable for the entire academic session. Each route has designated pick-up and drop-off points, and students are expected to board and alight only from these specified stops.

All buses are equipped with a GPS Tracking System, enabling parents to monitor their child’s route and real-time location through the school’s mobile app.

BUS RULES

To Ensure a Safe & Disciplined Journey

Do’s

- Arrive at the bus stop a few minutes before the scheduled arrival time.
- Stand away from the main road while waiting for the bus; always use zebra crossings.
- Board the bus in a proper queue, maintaining discipline.
- Remain seated at all times when the bus is in motion.
- Enter the bus only through the front door.
- Get down only after the bus has fully stopped.
- Allow the bus to move ahead before crossing the road; always use designated crossings.

Don’ts

- Do not attempt to board or get off the bus until it has completely halted.
- Do not lean out, extend your head, hands, or any limb outside the window.
- Do not distract or talk to the driver while the bus is moving.
- Do not push, rush, or crowd at the door while boarding or alighting.
- Do not fight or misbehave inside the moving bus.
- Do not place bags on the seats or obstruct passages.

“Prince Eduhub Transport - Your Child’s Safety Is Not A Service, It’s Our Promise.”

2025

Where Winter Vibes Met Endless Smiles.

Castle Winter Carnival was beautifully organized to offer students a joyful, vibrant, and refreshing experience beyond academics. The event witnessed active participation from both hostellers and day scholars, creating an atmosphere of unity and celebration across the campus. The carnival featured a variety of engaging activities, fun games, and interactive zones that kept students excited and involved throughout the day. Well-decorated food stalls offering a range of delicious treats added charm and energy to the event, making it a complete festive experience. The campus buzzed with laughter, enthusiasm, and cheerful moments as students bonded and celebrated together. The event

successfully promoted creativity, social interaction, and joyful learning, leaving behind cherished memories for everyone. Castle Winter Carnival stood as a perfect blend of entertainment, togetherness, and student happiness.

A Grand Celebration of Excellence

518 Talented Students Honored at Prince Mahotsav

The grand annual award ceremony and cultural festival, Prince Mahotsav, was held at Prince Academy Senior Wing, Jaipur-Bikaner Bypass, Sikar. A total of 518 students from classes 9 to 12 were honored for their outstanding achievements in CBSE board exams, CUET, CLAT, STSE, and other competitive exams. The event saw enthusiastic participation from students, parents, and faculty members.

Remarkable Achievements Recognized with Cash Awards

Achievements Recognized with Cash Awards. Outstanding academic achievers were honored with significant cash prizes for their exceptional performance in national-level exams.

Sarita Prajapat was awarded ₹1,72,000 for securing: -All India Rank 6 in CBSE Class 12 (99.00%), First Rank in STSE (Commerce)

-794 out of 800 in CUET. Priyanka received ₹1,62,000 for securing All India Rank 8 in CBSE Class 12 (98.60%), First Rank in STSE (Arts), Excellent CUET performance. Abhay Sharma was given ₹1,00,000 for securing All India Rank 3 with 99.60% in CBSE board exams

Palak Bhinchar also received ₹1,00,000 for securing All India Rank 57 (OBC 3rd) in CLAT. In addition to these top achievers, several other students were rewarded with cash prizes ranging from ₹51,000 to ₹5,100 in recognition of their remarkable academic accomplishments.

A Grand Celebration of Excellence

VIBRANT CULTURAL PERFORMANCES

Adding to the grandeur, over 500 students showcased 26 mesmerizing cultural performances representing diverse Indian traditions. Their talent and creativity captivated the audience, making the event truly unforgettable.

Inspirational Words *from* Distinguished Guests

The event was graced by notable guests, including District Collector Mukul Sharma, senior RSS leader Dr. Shrikant, and Prince School alumnus & Indian Foreign Service officer Vikas Kumar Meena. Dr. Shrikant motivated students by emphasizing that their career journey should reflect a spirit of service. District Collector Mukul Sharma praised Sikar's growing reputation as an educational hub. Vikas Kumar Meena shared his experiences as a PCP & Prince School student, inspiring the young achievers.

Festino at Prince Academy encapsulates the essence of our school community – a vibrant tapestry of cultures, ideas, and talents woven together in perfect synchrony. It was a testament to our commitment to embracing diversity and fostering inclusivity in all aspects of our educational journey with the threads of creativity, expression, and imagination. Through their artistic endeavors, dazzling the audience, students have ignited passions, challenged perceptions, and celebrated the beauty of diversity and storytelling with captivating performances in music, dance and drama.

Oration Talk

Total of 110 performances were given by the students on this three days celebration. Chief Guest of the event IPS Prashant Kiran, Brigadier B.B.Janu, Commodore C.S Azad, Col. Vir Singh Jadaun & Col. Kurian Jacob felicitated the students who have been the winners in various Olympiads & Sports events. With the perspective of heightening the morals of the aspirants, Principal Poonam Chouhan presented the Annual Report accentuating over the integral blossoming of PRINCE ACADEMY. Miss Shippe Sunda emphasized over the thought of believing in yourself helps you know your potential and grow accordingly. Organization Chairman Dr. Piyush Sunda reiterated over the conception of parenting playing an important role in a child's life as the ancestral pattern of running behind the scores is an outdated version, the parents need to come out of it. Institution Director Jogendra Ji Sunda, Managing Director Ramakant Swami welcomed the Guests.

HIGHLIGHTS

PROJECT EXHIBITION

Project exhibition at Prince Academy is an event where students showcase their projects, models, and experiments to demonstrate their understanding of a particular subject or topic. These exhibitions are organized to showcase the students' work in different fields of study such as science, technology, engineering, and math (STEM), or Agriculture, Humanities and Commerce.

Innovista

INVESTITURE CEREMONY

With great pomp and glory in a special ceremony of investiture, future leaders of Prince Academy were bestowed with various designations under different responsibilities. Many powers were vested in them as they were appointed as Captain, Vice Captain, Discipline Incharge, Sports Incharge, Spoken Incharge, Culture Incharge along with the title of Captains and Vice Captains of different houses. In the significant event, donning the mantles of accountabilities, they pledged to perform their duties to the best of their abilities.

Crest

DEBATE COMPETITION

In the debate competitions at Prince Academy, teams present arguments for or against a specific topic or resolution to persuade the judges and audience that their position is the most logical and valid. Trophy & medals are given out to the Top Teams & individuals. School debate competitions help our students to develop their critical thinking, research, and public speaking skills, while also learning about important current events and issues.

ArguMax

WORLD ENVIRONMENT DAY

World Environment Day is celebrated at Prince Academy to raise awareness about environmental issues and promote sustainable living. The goal of the event is to educate students and the community about the importance of protecting the environment and preserving natural resources. Tree plantation drives are organized on this day to increase the green cover and enhance the overall quality of the environment.

Attendance Compliance

To maintain academic integrity and discipline, the following attendance norms apply:

- A minimum of 75% attendance is mandatory.
- Medical leave must be substantiated with valid documentation.
- Pre-approved leave is required for planned absences.
- Unauthorised absence will not be considered.
- Board class students must adhere to enhanced attendance expectations.
- Separate guidelines govern leave for hostel residents.

These regulations ensure continuity in learning and uphold the school's standards of discipline.

Travel Assistance for Vacations

For vacation periods, a well-coordinated Student Conveyance System is arranged to ensure safe and timely travel.

Key features include:

- Predefined routes and schedules.
- Escorted travel for younger students.
- Advance notifications to parents.
- Dedicated supervision for hostellers.
- Transport facility up to the railway station and bus depot for the convenience of outstation students

Payment of Fee

- Multiple Online & Offline Payment Modes
- Dedicated Fee Assistance Desk
- Timely Reminders & Notifications
- Automated Digital Receipts
- Installment Options (as per School Policy)
